Core Competencies in Incumbent HRG Markets

- **Travelers Security – Through TSM (Travel Security Manager) – all PNR's are queued to TSM to ensure Client is aware of any travelers effected by any global crisis**
- **Global Air & Hotel Programs – Audit of rates loaded in the GDS and local assistance with rate negotiation where required**
- **Service Logs – All service issues are managed through local & regional service logs with defined escalation and response timelines**
- **Travel Policy – HRG ensures that travelers are aware of and comply with the Client global Travel Policy including offering two airfare options for every itinerary.**
- **Reporting – HRG is responsible for the Asia Pacific data consolidation and reporting for all markets including the other TMC's used by Client in the region.**
